E-MAIL MARKETING

CLIENT E-MAIL BLAST:

Client E-mail Blast Messages are sent by email through an exclusive database of **Sports Industry**, comprises high profile business executives and key decision makers from the industry. Our E-mail marketing entices high hit rates and click through. E-mail marketing has become the essential tool for the businesses ever since the introduction of internet to the world. Email marketing is a form of direct marketing that uses electronic mail as a means of communicating commercials or fundraising messages to all industry buyers. In its broadest sense, every email sent to a potential targeted customer is considered to be Email Marketing. However, the term is usually referred to:

Sending Emails with a purpose of enhancing the relationship of a client with its current or previous buyers to encourage customer loyalty and repeat business. Sending emails is a purpose of attracting new buyers and encourage the current buyers to purchase immediately.

We offer after sales plan for E-mail Marketing as follows:

- 1) Open rate of the campaign
- 2) Click rate of the campaign
- 3) Demographic stats

Pricing Structure:

Direct Marketing campaigns are charged per e-mail address and the cost is (US \$0.20) per address, for mail shots above 15,000 units. For mail shots below 15,000 units, the charge is US\$0.25)

BOOKING EXAMPLE:

10,000 Direct Marketing messages cost: 10,000 X US \$0.25 = US \$2,500

WE MARKET
